

Department of Computer Science and Engineering (CSE)
Bangladesh University of Engineering and Technology (BUET)

08 February 2017

Ref.: UG_Exam_July2016/Notice_Students/2017/2

Notice for L-4 T-2 Students

The department of CSE has created an online repository to archive soft copies of all undergraduate theses. All students completing thesis (in July 2016 semester) are hereby instructed to upload their completed theses to the online repository as mentioned below by February 17, 2017 Friday 11:59PM.

The hardcover thesis book must be submitted at the department office on or before February 18, 2017, Saturday 5:00PM (only on working days).

The steps for the thesis submission are as follows:

1. There will be one thesis submission for each thesis group. One student from the thesis group should upload the thesis. The student needs to log in at <http://cse.buet.ac.bd> and select the "Add Thesis" option. A file describing the detailed steps has already been uploaded at the moddle site news section (<https://goo.gl/XoulMD>).
2. Upon successful upload, the student will receive a confirmation file with the thesis details including the upload date/time. This file must be printed and then counter-signed by the respective honourable supervisor.
3. The signed confirmation form along with the hardcover thesis book must be submitted at the CSE department office.

Important Deadlines for Thesis Submission:

- Upload softcopy to repository: February 17, 2017, Friday 11:59PM
- Submit hardcopy at the CSE office: February 18, 2017, Saturday 5:00PM (only on working days)

Dr. M. Sohel Rahman
Professor and Head
