

CSE 400 Thesis Evaluation for L4 T1.

Thesis evaluation for L4T1 is scheduled in the first week of next semester. Thesis evaluation will be done in the form of a presentation. Students will also need to submit a thesis report containing Introduction, Background, Literature review, and work/research plan. The evaluation at this stage will carry 30% of the total thesis evaluation marks. The students are hereby instructed to prepare accordingly with the guidance of their respective supervisors.
