

Department of Computer Science and Engineering (CSE)
Bangladesh University of Engineering and Technology (BUET)

Notice for L-4 T-2 Students

All students of Level-4 Term-2 are hereby instructed to give options for the following two optional groups for the upcoming January 2018 semester.

Group – Theory:

- a. CSE461: Algorithm Engineering
- b. CSE463: Introduction to Bioinformatics

Group – AI:

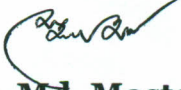

- a. CSE471: Machine Learning
- b. CSE473: Pattern Recognition

The online option form is available at the following link:

https://cse.buet.ac.bd/thesis_add/course_option_l4t2.php

Please log on to the department website (<http://cse.buet.ac.bd>) using your username and password, and select “Optional Course L4T2” from the menu.

The deadline for giving options is 28 March June 2018 (Wednesday) by 3PM.

Dr. Md. Mostofa Akbar
Professor & Head
Dept of CSE, BUET
