Department of Computer Science and Engineering (CSE)
Bangladesh University of Engineering and Technology (BUET)

Date: 08:08:2018

Notice for L-4 T-2 Students

All students of Level-4 Term-2 are hereby instructed to give options for the following two optional groups for the upcoming July 2018 semester.

Group – Theory:

   a. CSE461:Algorithm Engineering
   b. CSE463:Computational Geometry

Group – AI:

   a. CSE471:Machine Learning
   b. CSE473:Pattern Recognition

Group – Hardware:

   a. CSE481: VLSI Design
   b. CSE483: Computer Interfacing

The online option form is available at the following link:

https://cse.buet.ac.bd/thesis_add/course_option_l4t2.php

At first, go to the CSE departmental website (http://cse.buet.ac.bd) and log in using your department credential and search menu 'Optional Course L4T2'

The deadline for giving options is 13 August 2018 (Monday) 5PM.

Dr. Md. Mostofa Akbar
Professor &Head
Dept of CSE, BUET
