

Notice for L-4 T-2 Students

All the prospective students of Level-4 Term-2 for the July 2021 Term are hereby instructed to submit your preferences for the following optional courses. Each student has to provide his/her choice order for all the following CSE and HUM courses. Eventually, each student will get two optional CSE courses according to their preference list and seat counts.

Offered Courses and seat count for CSE 4xx:

Course	Max Seats
CSE411 - Simulation and Modeling	~60
CSE461 - Algorithm Engineering	~30
CSE471 - Machine Learning	~120
CSE473 - Pattern Recognition	~30

Offered Courses and seat count for HUM 4xx:

*** Distribution of the HUM courses will be finalized after getting confirmation from the Humanities department and student choices.*

Course	Max Seats
HUM411 Business Law	~60
HUM477 Sociology for Science and Technology	~60
HUM479 Government	~60
HUM481 Entrepreneurship for IT Business	~60

The step by step instructions for giving the option is enclosed. The deadline for giving options is **October 15th, 2021 (Friday)**.

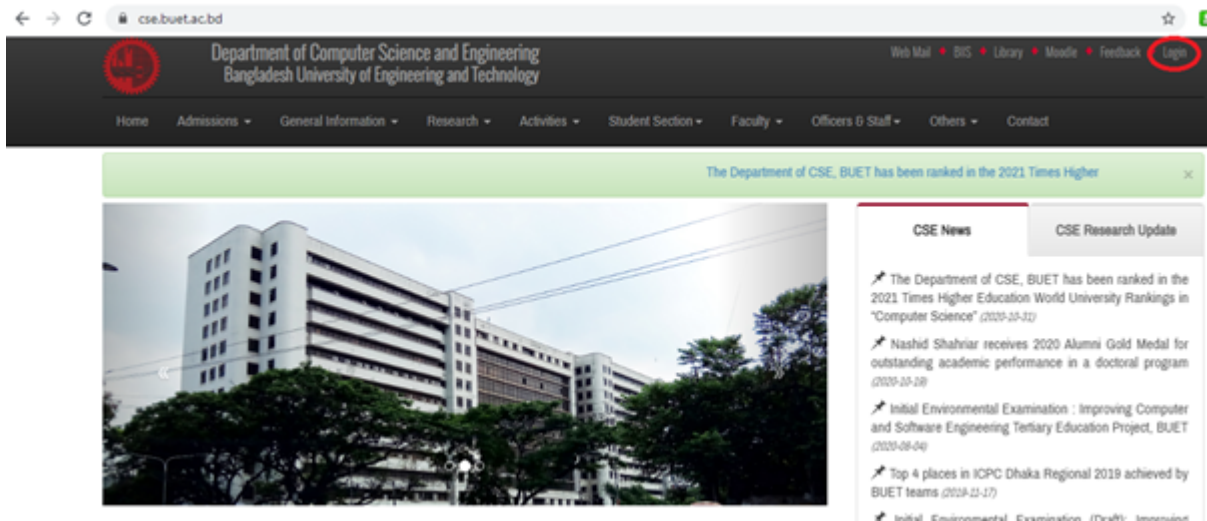

Nafis Irtiza Tripto

Assistant Professor & BUGS Secretary

Dept of CSE, BUET

Procedure

1. Go to the CSE departmental website (<https://cse.buet.ac.bd>) and log in using your department credential.

2. After successful log in, click on the 'Optional Course L4T2' menu item.
3. You should get the following form. *Please fill out your choice order for the offered courses with the numbers 1-4 (with one (1) being the most preferred choice and four (4) is the least preferred choice). Each field is required.*

A screenshot of the 'L-4 T-2 Course Option Submission Form' on the website. The form is titled 'L-4 T-2 Course Option Submission Form:' and includes instructions: 'C.O. = Choice Order. Please fill out each option. Choice 1-4 [with one(1) being the most preferred choice and four(4) is the least preferred choice]. Each field is required. Submit your choice carefully. You can submit your choice only one time and you cannot change/update your option once you have submitted.' The form is divided into two sections: 'CSE Option: *' and 'HUM Option: *'. Under 'CSE Option: *', there are four dropdown menus for course selection: 'CSE411: Simulation and Modeling', 'CSE461: Algorithm Engineering (Prerequisite: CSE207)', 'CSE471: Machine Learning (Prerequisite: CSE317)', and 'CSE473: Pattern Recognition (Prerequisite: CSE317)'. Below these are two dropdown menus for prerequisites: 'Prerequisite: CSE207 Obtained Grade' and 'Prerequisite: CSE317 Obtained Grade', both set to 'Select One'. Under 'HUM Option: *', there are four dropdown menus for course selection: 'HUM411: Business Law', 'HUM477: Sociology for Science and Technology', 'HUM479: Government', and 'HUM481: Entrepreneurship for IT Business'.

4. Save a copy of the confirmation page.
