

Deadline Extended
Call for Scholarship Application from
CSE Undergraduate Final Year students
for Mrs. Sultana Begum Award

Extended Deadline: 08/05/2022 (Sunday)

Mrs. Sultana Begum Award is given for Best Innovative Undergraduate Design Project for Final year students of Computer Science and Engineering. Level 4 students of the Department of CSE satisfying the following conditions may apply.

- a. The annual income of the person providing financial support must be less than 4 lac BDT.
- b. There is no complaint on the disciplinary grounds at the Board of Residence against the candidate.
- c. The candidate has to be a regular student.
- d. The candidate should have a record of good academic progress, except for reasons of genuine medical conditions and/or family circumstances.
- e. For multiple candidates of a team project, above 4 (four) conditions must be satisfied by all individual candidates. If some team members are not eligible (or not interested to apply), but are OK with the other members applying, then the application must contain *Signed No Objection Letter* from the members who are not applying.

Along with the application, a **3-5 minutes video demonstrating a project performed in Level 4** and the following documents need to be supplied:

- a. Gradesheets up to the last term.
- b. Declaration of annual income signed by the guardian.

Please fill out the Google form: <https://forms.gle/skB11ey6TgtGspiDA> to apply. Use your CSE departmental Gmail Id to access the application form. The last date of application is April 25th, 2022.

Dr. Mohammad Saifur Rahman
Associate Professor, CSE, BUET
Convener, Scholarship Recommendation Committee
