L-4/T-2 Optional Course Assignment

The prospective students of L-4/T-2 of July 2022 term have been assigned the optional courses as per the attached table. All students, who have given options are directly assigned to CSE 471. The choices submitted by the students have been duly considered on the other assignments. The students whose student IDs are not in the list (either not submitted choice/total earned credit not equivalent to 4-1) have been given instructions in the next page.

Please contact the BUGS Secretary for any further clarification regarding the course assignment.

Tahmid Hasan

Assistant Professor & BUGS Secretary

Dept of CSE, BUET

The following students did not submit their optional choices in the CSE website.

0205059 0205101 0405047 0905081 1005056 1305120 1405037 1405040 1405059 1405069 1405072 1405081 1405083 1605021 1605036 1605085 1605096 1605111 1605120 1705060 1705099 1705111	You need to provide options using the following Google form link immediately (Deadline: Tomorrow, 21/11/2022) . However, the allocation of existing assigned students will not be changed. Therefore, it does not guarantee that optional subjects can be allocated according to your preference (depends on the remaining seat counts). https://forms.gle/PErGj7aci8EYdv8s6
--	---

The following students need to apply manually for the optional courses, if they are interested. They need to mention their preferred options, total earned credits, current CGPA and send the application to the BUGS Secretary. It will be finalized in the next BUGS meeting.
