L-4/T-I Optional Course Assignment

The optional courses for the prospective students of L-4/T-I of the January 2023 term have been allocated as per the attached table. The choices provided by the students have been carefully taken into account during the assignment process, with priority given according to the merit list. For students whose student IDs are not included in the list (either due to non-submission of choices or the total earned credit not being equivalent to 4-I), instructions have been provided on the following page.

Please contact the BUGS Secretary for any further clarification regarding the course assignment.

Dr. Rifat Shahriyar

Professor & BUGS Secretary

Dept of CSE, BUET

Department of Computer Science and Engineering (CSE)
Bangladesh University of Engineering and Technology (BUET)

The following students did not submit their optional choices in the CSE website.

1805018 1805044 1805071 1805081 1805082 1805095 1805101 1805108 1805109 1805118	You need to provide options using the following Google form link immediately (Deadline: Tuesday, 30/05/2023 5 PM) . However, the allocation of already assigned students will not be changed. Therefore, it does not guarantee that optional subjects can be allocated according to your preference (depends on the remaining seat counts). https://forms.gle/Gp52ZGwsbpbq9Dx7A
--	---

The following students need to apply manually for the optional courses, if they are interested. They need to mention their preferred options, total earned credits, current CGPA and send the application to the BUGS Secretary by **Saturday, 03/06/2023 5 PM**. It will be finalized in the next BUGS meeting.
